At Little Guppy, we believe that school-age children deserve to begin and finish each day in a fun & secure environment. Our students have plenty of structured play time, including time on our indoor playground and outdoor recess (weather permitting). In addition, students work on homework after school to free up time at home. As a parent you will enjoy:

- A Secure Facility: every parent has a unique code to access the building
- Top Notch Teachers: over 50% of our Primary Educators have education degrees
- Smart Fun: Your child will be learning without even realizing it.
- Nutritious Meals: Little Guppy has a food pledge promising to provide healthy and delicious foods. Afternoon snack is included every day, breakfast is optional each day and lunch is also included on full days at Little Guppy.
- No Worries: We provide a teacher with activities for all early-release days, snow days, teacher in-service days, and winter and spring break.

\$50 non-refundable registration fee is due at the time of enrollment along with the first week's tuition. [See chart below for weekly rates] Ages 5-12 years old.
